

Together For Equality & Respect (TFER) & The Well

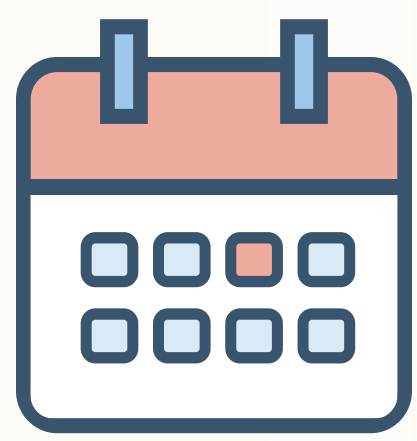

Working together to share resources and practice wisdom with you.

• TFER Communities of Practice (CoP) on The Well

The Well provides an easy, flexible one stop shop to promote upcoming TFER CoPs, and to store and share valuable resources and recordings from previous CoPs.

• WHAT INFORMATION DOES THE WELL PROVIDE?

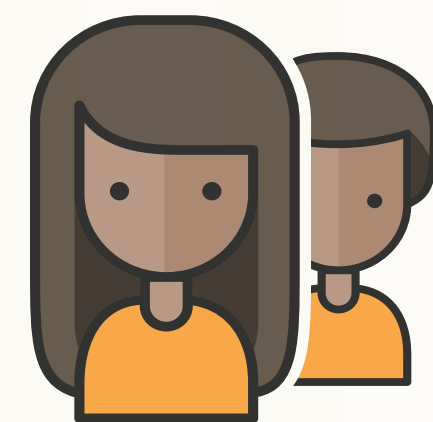

Promotes upcoming TFER CoP workshops.

Links to resources, reports and presentation slides.

Access to previously recorded CoP events.

Highlights the work of TFER.

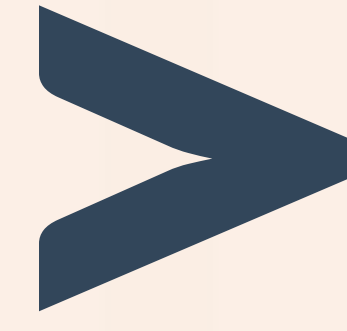

• HOW DID THE WELL HELP?

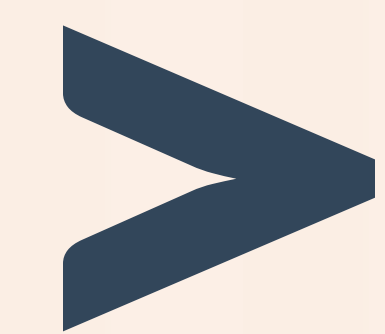

Not everyone can attend the **very popular** and often oversubscribed TFER CoPs.

The Well talked to TFER about creating an online space **specifically designed** for TFER CoP information.

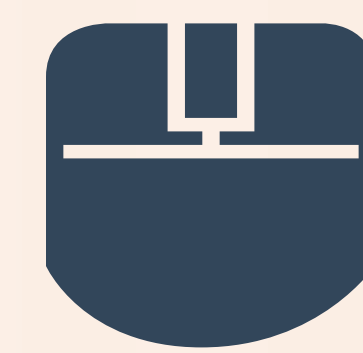

Local practitioners can now readily access event recordings and related CoP information.

New practitioners to the region can become familiar with the work of TFER.

This space on The Well helps promote the **dynamic and engaging** nature of the TFER partnership.
